Re: Assignment and Declaration and Power of Attorney
 Our File No. 41822.2

Dear Jim:

Attached you will find copies of the Declaration and Power of Attorney and the Assignment which we promised to have executed and forwarded to you. The originals will be sent to you today via mail.

With respect to the prior art disclosure, Mr. Ekhaus does plan on submitting one; however, it obviously will take a little time for him to pull this together. To that end, please keep us advised as to any critical dates.

Thank you.

Sincerely,

Glen E. Schumann

JOINT INVENTION
(Worldwide Rights)
Attorney Docket No. 7744 0061

ASSIGNMENT

As used herein, the term "invention," consistent with 35 U.S.C. § 100(a) and the use of the term "invention" in the below-identified application, is not intended by the below signing inventor(s) to be a representation as to the patentability or validity of any claim, pending or issued associated with the below-identified application, or associated with any divisional, continuation, or reissue applications derived therefrom. The below signing inventor(s) believe that any decision as to the patentability or enforceability of any claim, pending or issued associated with the below-identified application, or associated with any divisional, continuation, or reissue applications derived therefrom in the United States rests with the United States Patent and Trademark Office, or any body or court of competent jurisdiction.

WHEREAS, I, the below named individuals, hereinafter referred to as the inventors or Assignors, have made what could be an invention entitled:

METHOD AND SYSTEM FOR HIGH PERFORMANCE MODEL-BASED PERSONALIZATION

for which I executed an application for United States Letters Patent concurrently herewith or filed an application for United States Letters Patent on June 25, 2001 (Serial No. 09/887,528); and

WHEREAS, Net Perceptions, Inc., a corporation of Minnesota whose post office address is 7700 France Avenue South, Edina, Minnesota 55435 (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this "invention" in all countries throughout the world, and in and to the application for United States Letters Patent on this "invention" and the Letters Patent to be issued upon this application,

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) in hand paid and other good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, I, as Assignor(s), have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my entire right, title, and interest in and to this "invention", to the extent such rights exist, together with provisional application Serial No. 60/213,528, filed June 23, 2000 (if any), and this application, and all divisions and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of the above provisional application (if any), as well as all rights to claim priority on the basis of this application, and all applications for Letters Patent which may hereafter be filed for this "invention" in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and I hereby consent to the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this "invention" to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I HEREBY covenant that I have the full right to convey any interest I may have in and to any invention that may be assigned by this Assignment, and I have not executed any agreement in conflict with this Assignment;

IN TESTIMONY WHEREOF, I have hereunto set my hand.
